Dear Publisher:

Enclosed is the online royalty payment representing the July 1989 through December 1989 royalty period.

Due to unavailability of the statistical usage data from one of the vendors, it has taken us significantly longer than usual to generate the royalty statements. So as not to delay the royalties any longer, we have estimated the BRS royalties. Once we receive the data, we will reconcile any differences.

We anticipate future royalty payments to be made within the scheduled framework of your agreement as we have in the past.

Thank you for your continued participation in our reference products. If you should have any questions, please contact myself or your account representative at 800/227-8431.

Sincerely,

Paula Scallan
